In order that he may be restored to all the rights enjoyed by any other citizen of a common country. The petition sets forth that be graduated at West Point in 1856, served on the frontiers of Texas, was twice published by Gen. Scott in general orders for conduct in battle, and was severely wounded in an encounter between the troops and the Indians. He says : 'I resigned my commission in the United States army in 1861, being at that time on duty as instructor of cavalry at West Point. My father, S. S. Lee, of the navy, and my uncle, R. E. Lee, of the army, had previously resigned. My resignation was duly accepted by the War Department before I accepted other service, which placed me upon the basis of any other citizen of Virginia."- Chicago Tribune,

THERE is a deal of talk about English reserves; but what would Wellington have done at Waterloo if it had not been for his
